4.1 Historical Context

4.2 Masterplan Evolution/Options and Assessment

# FOREWORD

## A SHARED VISION FOR CANAL HEAD

‘A vibrant destination unique to Kendal. An imaginative fusion of business, residential, retail, food and drink and leisure and recreational uses at the heart of which is the historic terminus of the Northern Reaches of the Lancaster Canal. A well-integrated and distinctive part of Kendal where heritage embraces sustainable development, contributing significantly to the future development of the town.’

South Lakeland District Council – Kendal Canal Head Area Action Plan.
