26 June 2010.

Dear Miss Rayner

SLDC Core Strategy Examination.

Thank you for the letter of 22 June, about the government's recent changes to Regional Spatial Strategies.

I hardly think the changes have much effect on the SLDC ideas: as you probably know, I myself had rather more radical concerns about the viability of the proposals! I'm sorry I was unable to get to any of the hearings in public.

Yours sincerely

Martin Purdy
