Core Strategy Changes

Thank you for your letter of 12 May consulting The Theatres Trust on the proposed changes to the Core Strategy Development Plan Document.

The Theatres Trust is The National Advisory Public Body for Theatres. The Town & Country Planning (General Development Procedure) Order 1995, Article 10, Para (v) requires the Trust to be consulted on planning applications which include *'development involving any land on which there is a theatre.'* It was established by The Theatres Trust Act 1976 *'to promote the better protection of theatres'*. This applies to all buildings that were either built as theatres or are used for theatre presentations, in current use, in other uses, or disused.

We note the Inspector's possible changes but have no comment to make as these do not affect our previous representations with regard to our finding the document to be Sound from our point of view.

Please keep us advised of progress especially when the Inspector's Report is published.
