

I would like to join the Matchmaker Scheme as a **BUYER** looking for an empty home.

The Empty Homes Officer helps 'match' your needs with empty homes for sale through the Matchmaker Scheme.

They will contact you with details of homes matching your requirements for you to take further. The council is not part of the actual sales process.

Please let the Empty Homes Officer know if you find alternative accommodation so that your details can be removed from the Buyers List.

Thank you.
