

# South Lakeland District Council

## Application for parking permit refund

Before a refund is authorised, the permit must be returned to Parking Services. This can be handed in at South Lakeland House reception, where a receipt will be given. If sending the permit back by post, we recommend sending by Recorded Delivery.

A refund will be calculated on full months remaining on the permit. When the permit is handed in during any month, that month will not be included in the refund.

The council will refund by BACS transfer to your bank.
