## 1.0 INTRODUCTION

- 1.1 SLDC's Council Plan seeks to provide homes to meet needs, create opportunities for economic growth and enhance our environment. The Council's Local Plan is at the forefront of delivering on all three objectives.
- 1.2 The Local Development Scheme sets out the timetable for preparing documents to be included in the Local Plan.
- 1.3 South Lakeland's Local Plan covers the period from 2003 to 2025 contains four main elements called Development Plan Documents (DPDs)
  - **Local Plan Part 1 – South Lakeland Core Strategy** (adopted in 2010) which sets out the quantity, distribution and general principles underlying development;
  - **Local Plan Part 2 – Land Allocations** (adopted in 2013) which allocates sites to meet development needs;
  - **Local Plan Part 3 – Development Management** (currently in preparation) which sets out the criteria that new development has to meet and
  - **Local Plan Part 4 – Arnside-Silverdale** (currently in preparation) A plan being prepared jointly with Lancaster City Council dealing with the special issues associated with the Arnside Silverdale Area of Outstanding Natural Beauty.
- 1.4 Other elements of the Local Plan are some saved policies from the old South Lakeland Local Plan (adopted in 1997 and amended in 2006) which will be replaced by Local Plan Parts 3 and 4 when these are adopted, Neighbourhood Plans produced by local communities and plans relating to Minerals and Waste which are produced by Cumbria County Council. The Lake District and Yorkshire Dales National Park authorities have their own Local Plans.
- 1.5 The Local Plan also includes supplementary planning documents such as Development Briefs. These provide detailed guidance on the interpretation of local plan policies.
- 1.6 This Local Development Scheme covers the period 2015-2021 and sets out the programme not only for the completion of the current Local Plan but also the preparation of its replacement, a single Local Plan which will cover the period 2021-2036.

- 1.7 This document contains;
- An introduction setting out the context for the Local Plan,
  - A description of which local and related documents the Council will produce and or review,
  - A timetable for the production or review for each Development Plan Document (DPDs) and each Supplementary Planning Document (SPDs).
- 1.8 South Lakeland District Council is responsible for local planning for parts of the District outside the Lake District and Yorkshire Dales National Parks (see map below).
- 1.9 This Local Development Scheme will be published and kept up to date on the Council's website: [www.southlakeland.gov.uk](http://www.southlakeland.gov.uk).

## 2.0 WHAT IS A LOCAL PLAN?

- 2.1 **The Local Plan is the collection of documents that make up the statutory development plan for a Local Planning Authority (LPA).** The plan sets out development and infrastructure needs and the Council's proposals for meeting these and guides the Council's decisions when it determines planning applications.
- 2.2 The Local Plan is made up of a number of individual local plan documents called **Development Plan Documents (DPDs)** and **Supplementary Planning Documents (SPDs)**. Development Plan documents go through public consultation and independent examination before they can be adopted. Supplementary Planning Documents add detail and guidance on how local plan policies are to be applied. They go through consultation but can be adopted without going through independent examination.
- 2.3 Local Plans must be in general conformity with the Government's **National Planning Policy Framework** which contains a Presumption in Favour of Sustainable Development.
- 2.4 Local Plan documents are subject to **Sustainability Appraisal (SA)** to consider their economic, social and environment effects. They go through public consultation and independent examination before they can be adopted.
- 2.5 Local Planning authorities are under a **Duty to Co-operate** which requires them to actively engage and work jointly on strategic matters. The Council co-operates actively and on an ongoing basis with the National Park authorities, with the neighbouring districts of Lancaster, Barrow, Copeland and Eden as well as with Cumbria County Council, government agencies and infrastructure providers to ensure that strategic priorities are reflected in the Local Plan.
- 2.6 Under the Localism Act, local communities can prepare their own **neighbourhood plans**. Where these conform with the Council's local plan, have gone through independent examination and are supported by a referendum, they must be included within the Council's local plan. In South Lakeland, Neighbourhood Plans are in preparation in Heversham and Hincaster, Grange over Sands and Lower Allithwaite.
- 2.7 The procedure for the preparation and review of Local Plans has been revised and is set out in The Town and Country Planning (Local Planning) (England) 2012 Regulations. [\\_http://tinyurl.com/88qxdrx](http://tinyurl.com/88qxdrx)

## 3.0 SOUTH LAKELAND'S LOCAL PLAN

- 3.1 This Local Development Scheme (LDS) sets out the timetable for the production of Local Plan documents, neighbourhood plans and SPDs between 2013 and 2021. It can be viewed on the Council's website.

### Development Plan Documents (DPDs)

- 3.2 South Lakeland's Local Plan covers the period from 2003 to 2026 contains four main elements called Development Plan Documents (DPDs). The following have already been prepared and adopted;
- **Local Plan Part 1 – South Lakeland Core Strategy** (adopted in 2010) which sets out sets out how much development is proposed, broadly where it will be built and measures to manage its impact.
  - **Local Plan Part 2 – Land Allocations** (adopted in 2013) which identifies or 'allocates' land to meet needs for specific types of development such as housing and employment;
- 3.3 The next phase of plan making is the completion of the remaining Development Plan documents by August 2017. These are;
- **Local Plan Part 3 – Development Management and other matters** (currently in preparation) which sets out the criteria that new development has to meet and sets out the principles for the regeneration of Kendal Town Centre and Canal Head as well as addressing updated gypsy and traveller needs;
  - **Local Plan Part 4 – Arnside-Silverdale** (currently in preparation) A plan being prepared jointly with Lancaster City Council dealing with the special issues associated with the Arnside Silverdale Area of Outstanding Natural Beauty.
- 3.4 The Policies Map that accompanies the Local Plan shows designations and allocations policies from the Land Allocations and Core Strategy as well as saved policies from the existing 1997/2004 Local Plan. As new plans are adopted, new designations are added and superseded ones deleted. Appendix 1 lists current and superseded policies.

### The Long Term

- 3.5 In the long term, the current suite of Local Plan documents will be combined into a single local plan covering the period 2021 to 2036 and containing site allocations, development management policies and area specific policies for the whole District (outside national parks). This plan is due to be adopted by July 2021.

## Supplementary Planning Documents

- 3.6 Supplementary Planning Documents (SPDs) provide further guidance on specific sites or complex issues and are linked to specific local plan policies. SPDs are a material consideration in planning decisions but have less weight than Local Plan policies.
- 3.7 The first phase of Development Brief SPDs has already been adopted. These are for the following sites;
- **Kendal Parks**, Kendal (adopted April 2015)
  - **Stainbank Green**, Kendal (adopted April 2015)

- 3.11 The Council has recently adopted a Community Infrastructure Levy Charging Schedule. This is a levy on new built development to fund critical infrastructure to implement the Local Plan. The charging schedule will be reviewed in 2016 in the light of updated viability evidence. Other key local plan documents include the Infrastructure Delivery Plan which is updated annually, an Annual Monitoring Report and the Statement of Community Involvement which sets out how the Council will engage with communities in plan preparation.
