M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

All staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Said training will be documented and will be made available to an authorised officer upon request.

b) The prevention of crime and disorder

The premises will operate a zero tolerance drugs policy.

c) Public safety

d) The prevention of public nuisance

Whenever regulated entertainment is taking place, regular assessments shall be made of any noise emanating from the premises. Wherever said assessments indicate that noise is likely to cause nuisance to any residents or businesses in the vicinity, steps will be taken to reduce the level of noise.

Live music will not be permitted in any outside area after 22.30.

Any amplified music in the outside areas must be played through the zone array system. The zone array system will be set up and tested by a sound technician.

e) The protection of children from harm

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:
