TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED BY THE PLANNING AND COMPENSATION ACT 1991) ENFORCEMENT NOTICE – OPERATIONAL DEVELOPMENT

1. THIS NOTICE is issued by the South Lakeland District Council ("the Council") because it appears to it that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. The Council consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES:**

Land at 9 Main Street, Milnthorpe, Carnforth, LA6 7PN Known as Flames Kebab and Pizza, hereafter referred to as ("The Land") as shown edged red for identification purposes only on plan No. 1 attached to this Notice.

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL:**

Without planning permission and within 4 years, operational development comprising of the following;

1. The erection of a 5 meter high and 500mm diameter black flue stack.
2. Alteration to the shop front elevation comprising; the installation of uPVC windows and doors, uPVC fascia boards and grey coloured tile cladding.

4. **REASONS FOR ISSUING THIS NOTICE:**

The development, by virtue of its design, form and use of materials results in adverse impacts upon a building identified as having a detrimental impact upon the special interest of the Milnthorpe Conservation Area. The development is not in keeping with the special character of the Milnthorpe Conservation Area.

The development does not safeguard and enhance the character of the Milnthorpe Conservation Area or the setting of the near by Grade II Listed Market Cross. The proposals do not therefore accord with the requirements of saved Policies C16, S14 and S2 of the South Lakeland Local Plan and Policies CS1.1, CS5, CS8.6 and CS8.10 of the South Lakeland Core Strategy.

The proposed extraction system by virtue of its scale and location will adversely impact upon the living condition of the occupants of 1 Twine Walk through overbearing, inappropriate design and loss of light. The development does not therefore accord with the requirements of Policy R11 of the South Lakeland Local Plan and Paragraph 17 of the National Planning Policy Framework.

The proposed enforcement action will remove harm caused to the immediate locality of the Milnthorpe conservation area. Action will result in attention paid to the Shop Front

Design Toolkit, which will guide the requested works to a better more fitting design of this modern building. In most instances timber is traditionally used for shopfronts in South Lakeland and the Milnthorpe conservation area.

The unauthorised development introduces a prominent form of development that intrudes on the street scene, detracting from the appearance of the area and does not conform to the Council's policies for this location and commercial development. It is clear from the refusal of planning permission and history of the area that permission for such development should be resisted. Accordingly, it is harmful to the character and appearance of this location.

It is opined that this form of development is unacceptable in this location and all necessary enforcement action should be taken to remove the flue stack and restore the front elevation to a suitable acceptable design using more sympathetic materials.

5. WHAT YOU ARE REQUIRED TO DO:

The Council requires the specified steps to be taken to alleviate the effect of the development which was carried out without planning permission.

- a. Remove the black flue stack as shown in photograph No 1, situated toward the rear of 9 Main Street, Milnthorpe, known as Flames, cap off and seal the roof.
- b. Remove the grey coloured tile cladding to the front elevation, apply ruff cast cement render.
- c. Reinstate the doors and window to the front elevation and replace with timber and of a design as shown in the attached photograph No2.

6. WHEN THE REQUIREMENTS SHOULD BE COMPLETED.

Time for compliance for steps a, b and c is 4 month from the date in paragraph 7.

7. WHEN THIS NOTICE TAKES EFFECT:

This Notice takes effect on 20th July 2017 unless an appeal is made against it beforehand.

Dated 12th June 2017

Signed.....

Anthea Lowe

Solicitor to the Council.

- (4) Those purposes are –

- (7) A replacement building –
 - (a) must comply with any requirement imposed by any enactment applicable to the construction of the buildings;

(10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.

(11) Where –

- (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or activity to cease, but does not do so; and

then, so far as the notice did so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

(12) Where –

- (a) an enforcement notice requires the construction of a replacement building; and
- (b) all the requirements of the notice with respect to that construction have been complied with,

Planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.

173A – Variation and Withdrawal of enforcement notices

(1) The local planning authority may –

- (a) withdraw an enforcement notice issued by them; or
- (b) waive or relax any requirement of such notice and, in particular, may extend any period specified in accordance with section 173(9).

(2) The powers conferred by subsection (1) may be exercised whether or not the notice has taken effect.

(3) The local planning authority shall, immediately after exercising the powers conferred by subsection (1), give notice of the exercise to every person who has been served with a copy of the enforcement notice or would, if the notice were re-issued, be served with a copy of it.

(4) The withdrawal of an enforcement notice does not affect the power of the local planning authority to issue a further enforcement notice.

174 – Appeal against enforcement notice

1) A person having an interest in the land to which an enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice, whether or not a copy of it has been served on him.

(2) An appeal may be brought on any of the following grounds—

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged;
- (b) that those matters have not occurred
- (c) that the matters (if they occurred) do not constitute a breach of planning control;
- (d) that at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
- (e) that copies of the enforcement notice were not served as required by section 172;
- (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be

constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;

(g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.

(3) An appeal under this section shall be made either—

- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect; or
- (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date

(4) A person who gives notice under subsection (3) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing—

- (a) specifying the grounds on which he is appealing against the enforcement notice; and
- (b) giving such further information as may be prescribed.

(5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.

(6) In this section "relevant occupier" means a person who—

- (a) on the date on which the enforcement notice is issued occupies the land to which the notice relates by virtue of a licence in writing; and
- (b) continues so to occupy the land when the appeal is brought.

175 – Appeals: supplementary provisions

(1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 174 and, in particular, but without prejudice to the generality of this subsection, may—

- (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;
- (b) specify the matters to be included in such a statement;
- (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed;

(d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.

(2) The notice to be prescribed under subsection (1)(c) shall be such notice as in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the land to which the enforcement notice relates is situated.

(3) Subject to section 176(4), the Secretary of State shall, if either the appellant or the local planning authority so desire, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

(4) Where an appeal is brought under section 174 the enforcement notice shall subject to any order under section 289(4A) be of no effect pending the final determination or the withdrawal of the appeal.

(5) Where any person has appealed to the Secretary of State against an enforcement

notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.

(6) Schedule 6 applies to appeals under section 174, including appeals under that section as applied by regulations under any other provisions of this Act.

(7) Subsection (5) of section 250 of the Local Government Act 1972 (which authorises a Minister holding an inquiry under that section to make orders with respect to the costs of the parties) shall apply in relation to any proceedings before the Secretary of State on an appeal under section 174 as if those proceedings were an inquiry held by the Secretary of State under section 250.

176 – General provisions relating to determination of appeals

(1) On an appeal under section 174, the Secretary of State may—

- (a) correct any defect, error or misdescription in the enforcement notice; or
- (b) vary the terms of the enforcement notice

if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority

(2) Where the Secretary of State determines to allow the appeal, he may quash the notice.

(2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.

(3) The Secretary of State—

- (a) may dismiss an appeal if the appellant fails to comply with section 174(4) within the prescribed time; and
- (b) may allow an appeal and quash the enforcement notice if the local planning authority fail to comply with any requirement of regulations made by virtue of paragraph (a), (b), or (d) of section 175(1) within the prescribed period.

(4) If the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) or to allow an appeal and quash the enforcement notice under paragraph (b) of that subsection, he need not comply with section 175(3).

(5) Where it would otherwise be a ground for determining an appeal under section 174 in favour of the appellant that a person required to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

177 – Grant or modification of planning permission on appeals against enforcement notices

(1) On the determination of an appeal under section 174, the Secretary of State may—

- (a) grant planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control, whether in relation to the whole or any part of those matters or in relation to the whole or any part of the land to which the notice relates;
- (b) discharge any condition or limitation subject to which planning permission was granted;
- (c) determine whether, on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which planning permission was granted was lawful and, if so, issue a certificate under section 191.

(1A) The provisions of sections 191 to 194 mentioned in subsection (1B) shall apply for the purposes of subsection (1)(c) as they apply for the purposes of section 191, but as if—

(a) any reference to an application for a certificate were a reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made; and

(b) references to the local planning authority were references to the Secretary of State.

(1B) Those provisions are: sections 191(5) to (7), 193(4) (so far as it relates to the form of the certificate), (6) and (7) and 194.

(2) In considering whether to grant planning permission under subsection (1), the Secretary of State shall have regard to the provisions of the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations.

(3) The planning permission that may be granted under subsection (1) is any planning permission that might be granted on an application under Part III.

(4) Where under subsection (1) the Secretary of State discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.

(5) Where an appeal against an enforcement notice is brought under section 174, the appellant shall be deemed to have made an application for planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control.

(5A) Where-

(a) the statement under subsection (4) of section 174 specifies the ground mentioned in subsection (2)(a) of that section;

(b) any fee is payable under regulations made by virtue of section 303 in respect of the application deemed to be made by virtue of the appeal; and

(c) the Secretary of State gives notice in writing to the appellant specifying the period within which the fee must be paid,

then, if the fee is not paid within that period, the appeal, so far as brought on that ground, and the application shall lapse at the end of that period.

(6) Any planning permission granted under subsection (1) on an appeal shall be treated as granted on the application deemed to have been made by the appellant.

(7) In relation to a grant of planning permission or a determination under subsection (1) the Secretary of State's decision shall be final.

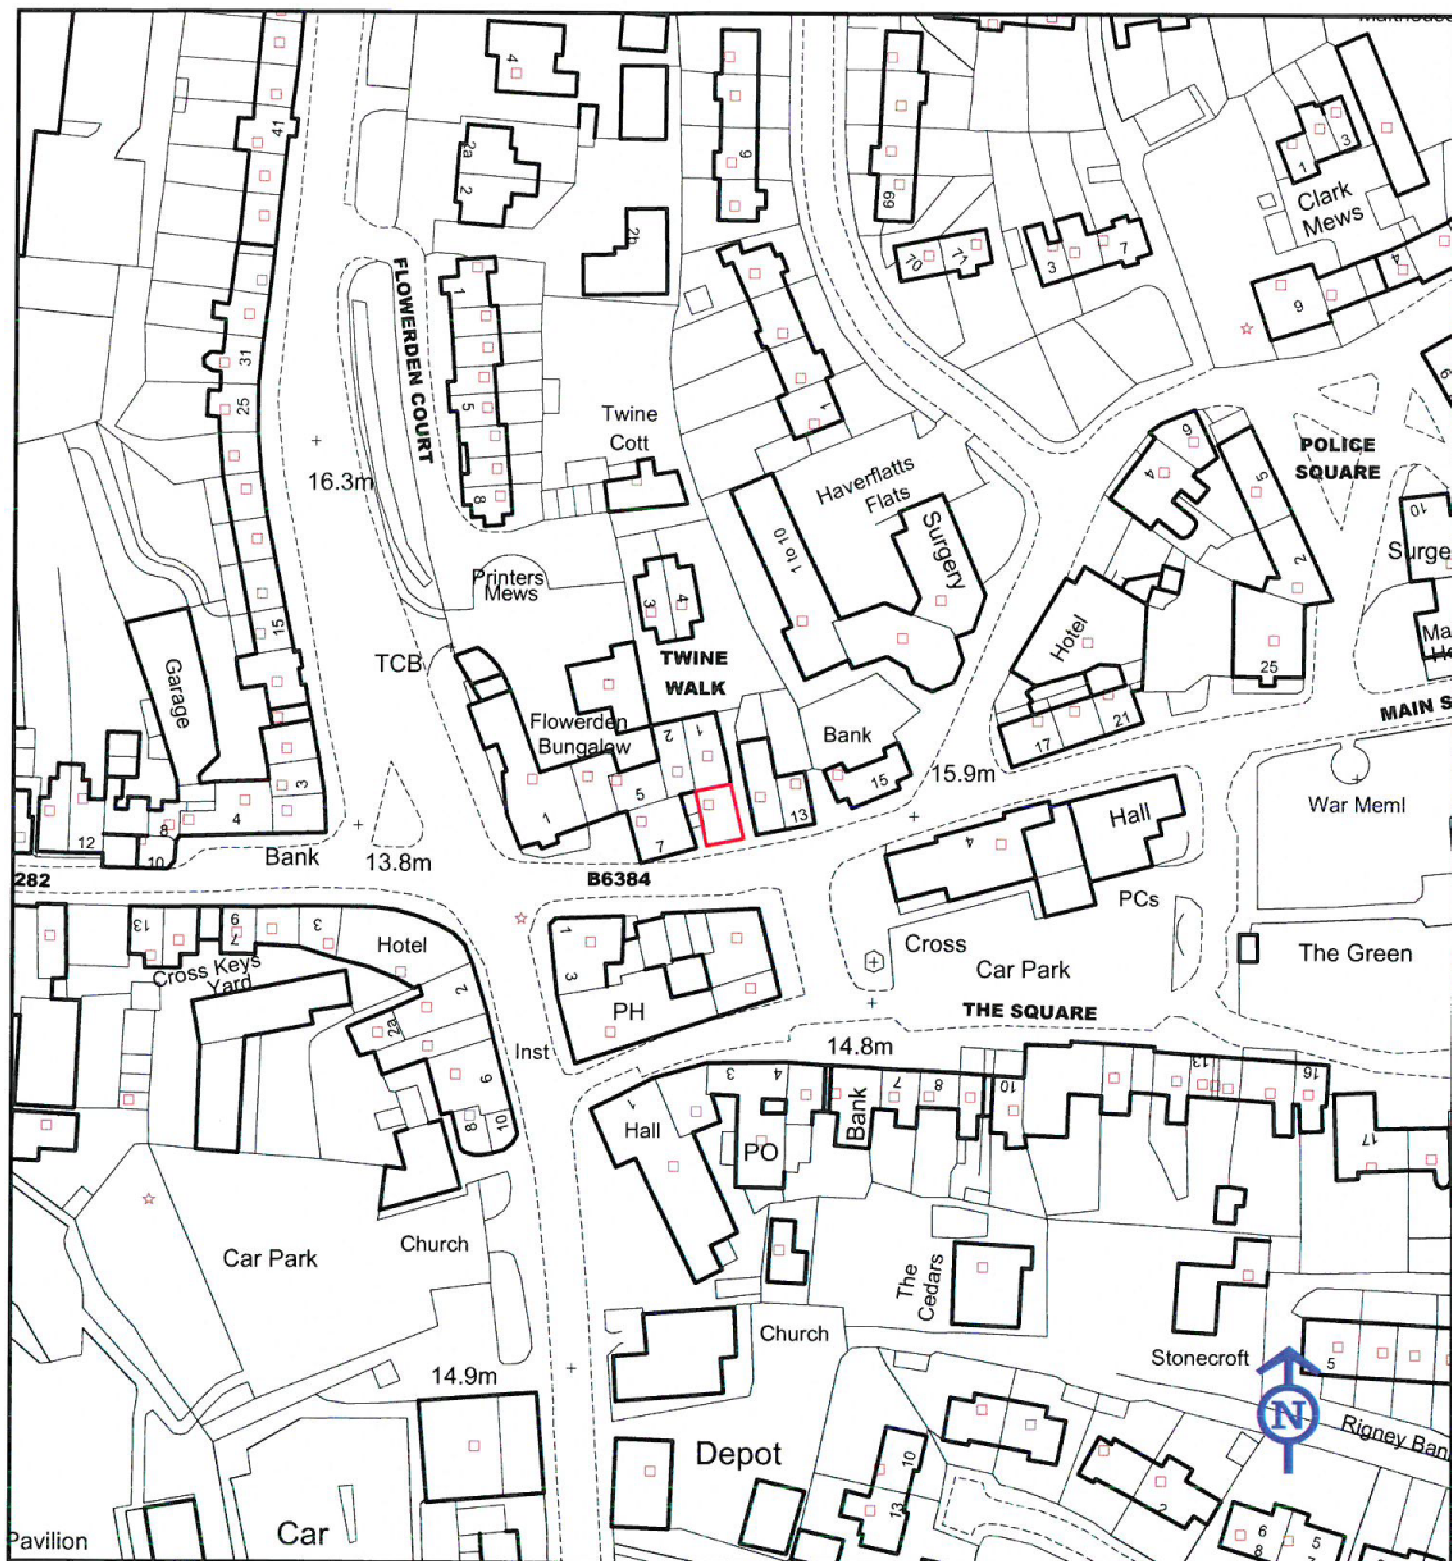

(8) For the purposes of section 69 the Secretary of State's decision shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.
