TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED BY THE PLANNING AND COMPENSATION ACT 1991)

ENFORCEMENT NOTICE –CHANGE OF USE

ISSUED BY: SOUTH LAKELAND DISTRICT COUNCIL

1. **THIS NOTICE** is issued by the South Lakeland District Council (“the Council”) because it appears to them that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES:-**

Land at Cocklea, Old Hutton, Kendal, Cumbria LA8 0NR as shown edged red on the attached plan (“the Land”).

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission material change of use from agricultural use to a mixed use comprising:

- the siting of a caravan for residential use; and
- use of an agricultural building for the stabling and keeping of horses;
- the laying out and use of part of the Land as a hard core surfaced equestrian manège; and
- siting of a site cabin, large wooden shed and lorry body in connection with a haulage construction and plant hire business; and
- open storage of building materials, waste and plant and contract machinery in connection with a haulage construction and plant hire business; and
- use of an agricultural building for the storage of plant and machinery in connection with a haulage construction and plant hire business.

The approximate position of the residential caravan, lorry body, site cabin, agricultural building used for the stabling and keeping of horses, hard surfaced equestrian manège, large wooden shed and agricultural building used for the storage of plant and machinery are shown on the attached plan. The position of the areas on the Land used for open storage of building materials, waste and plant and contract machinery are not shown on the attached plan as their location within the Land are prone to change from time to time.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last ten years.

It is considered expedient to take this action because the land is isolated from any other similar form of development, in a prominent position with direct views into the site from the highway. The Cumbria Landscape Character Guidance and Toolkit March 2011 subtype 9b rolling farmland and heath page 120, describes the area as rolling farm land and heath. This document supports the South Lakeland Local Development Framework Core Strategy and is used to influence future development.

The increase in levels, the laying of hard core and creation of a level soft surface in the equestrian facility has created an area of landscape which is alien and discordant with the rural character of the surrounding area.

The Land is not in a sustainable location for a horse, haulage and plant hire business. Access to the site is via narrow country lanes, the associated increase in traffic use on the narrow lanes adversely affects existing users of the highway, the condition of the local road network adds to highway danger. The Land is in an unsustainable location for the unauthorised residential development in the form of a static caravan in the open countryside, outside any settlement and remote from any services, facilities, and the public transport system.

The various unauthorised structures, building materials, waste, plant and contract machinery that are placed on the Land have an adverse visual impact on this area of open countryside.

The unauthorised development is contrary to the National Planning Policy Framework ("NPPF"). Section 11 paragraph 112 states that Local Planning Authorities should only promote sustainable appropriate development. Section 3 paragraph 28 states that development should only be supported in sustainable locations. Section 11 paragraph 109 states that the planning system should contribute to and enhance the natural and local environment by protecting and enhancing valued landscapes.

The unauthorised development is contrary to the following Core Strategy Policies of the Council:

- CS8.2 which requires the protection and enhancement of landscape and settlement character;
- CS1.1 (Sustainability) which states development should accord with a sequential approach and that it is vital to protect the open countryside for its intrinsic beauty;
- CS1.2 which states that only exceptional new development will be permitted in the open countryside;
- CS7.4 which states that Rural development should not be detrimental to the character and appearance of the landscape or give rise to unacceptable levels of traffic.

The Council do not consider that planning permission should be given because planning conditions could not overcome these objections to the development.

5. **WHAT YOU ARE REQUIRED TO DO:**

- (1) Remove the caravan used for residential purposes from the Land; and
- (2) Cease using the agricultural building for the stabling and keeping of horses, and
- (3) Remove the lorry body from the Land; and
- (4) Remove the site cabin from the Land; and

- (4) Those purposes are –

(3) The local planning authority shall, immediately after exercising the powers conferred by subsection (1), give notice of the exercise to every person who has been served with a copy of the enforcement notice or would, if the notice were re-issued, be served with a copy of it.

(4) The withdrawal of an enforcement notice does not affect the power of the local planning authority to issue a further enforcement notice.

174 – Appeal against enforcement notice

1) A person having an interest in the land to which an enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice, whether or not a copy of it has been served on him.

(2) An appeal may be brought on any of the following grounds—

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged;
- (b) that those matters have not occurred

(c) that the matters (if they occurred) do not constitute a breach of planning control;

(d) that at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;

(e) that copies of the enforcement notice were not served as required by section 172;

(g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.

(3) An appeal under this section shall be made either-

(a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect; or

(b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date

(4) A person who gives notice under subsection (3) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing—

(a) specifying the grounds on which he is appealing against the enforcement notice; and

(b) giving such further information as may be prescribed.

(5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.

(6) In this section "relevant occupier" means a person who—

(a) on the date on which the enforcement notice is issued occupies the land to which the notice relates by virtue of a licence in writing; and

(b) continues so to occupy the land when the appeal is brought.

175 – Appeals: supplementary provisions

(1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 174 and, in particular, but without prejudice to the generality of this subsection, may—

(a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;

(b) specify the matters to be included in such a statement;

(c) require the authority or the appellant to give such notice of such an appeal as may be prescribed;

(d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.

(2) The notice to be prescribed under subsection (1)(c) shall be such notice as in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the land to which the enforcement notice relates is situated.

(3) Subject to section 176(4), the Secretary of State shall, if either the appellant or the local planning authority so desire, give each of them an opportunity of appearing before and being

heard by a person appointed by the Secretary of State for the purpose.

(4) Where an appeal is brought under section 174 the enforcement notice shall subject to any order under section 289(4A) be of no effect pending the final determination or the withdrawal of the appeal.

(5) Where any person has appealed to the Secretary of State against an enforcement notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.

(6) Schedule 6 applies to appeals under section 174, including appeals under that section as applied by regulations under any other provisions of this Act.

(7) Subsection (5) of section 250 of the Local Government Act 1972 (which authorises a Minister holding an inquiry under that section to make orders with respect to the costs of the parties) shall apply in relation to any proceedings before the Secretary of State on an appeal under section 174 as if those proceedings were an inquiry held by the Secretary of State under section 250.

176 – General provisions relating to determination of appeals

(1) On an appeal under section 174, the Secretary of State may—

~~(a) correct any defect, error or misdescription in the enforcement notice; or~~

(b) vary the terms of the enforcement notice

if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority

(2) Where the Secretary of State determines to allow the appeal, he may quash the notice.

(2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.

(3) The Secretary of State—

(a) may dismiss an appeal if the appellant fails to comply with section 174(4) within the prescribed time; and

(b) may allow an appeal and quash the enforcement notice if the local planning authority fail to comply with any requirement of regulations made by virtue of paragraph (a), (b), or (d) of section 175(1) within the prescribed period.

(4) If the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) or to allow an appeal and quash the enforcement notice under paragraph (b) of that subsection, he need not comply with section 175(3).

(5) Where it would otherwise be a ground for determining an appeal under section 174 in favour of the appellant that a person required to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

177 – Grant or modification of planning permission on appeals against enforcement notices

(1) On the determination of an appeal under section 174, the Secretary of State may—

~~(a) grant planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control, whether in relation to the whole or any part of those matters or in relation to the whole or any part of the land to which the notice relates;~~

- (b) discharge any condition or limitation subject to which planning permission was granted;
- (c) determine whether, on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which planning permission was granted was lawful and, if so, issue a certificate under section 191.

(1A) The provisions of sections 191 to 194 mentioned in subsection (1B) shall apply for the purposes of subsection (1)(c) as they apply for the purposes of section 191, but as if-

- (a) any reference to an application for a certificate were a reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made; and
- (b) references to the local planning authority were references to the Secretary of State.

(1B) Those provisions are: sections 191(5) to (7), 193(4) (so far as it relates to the form of the certificate), (6) and (7) and 194.

- (2) In considering whether to grant planning permission under subsection (1), the Secretary of State shall have regard to the provisions of the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations.
- (3) The planning permission that may be granted under subsection (1) is any planning permission that might be granted on an application under Part III.
- ~~(4) Where under subsection (1) the Secretary of State discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.~~
- (5) Where an appeal against an enforcement notice is brought under section 174, the appellant shall be deemed to have made an application for planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control.

(5A) Where-

- (a) the statement under subsection (4) of section 174 specifies the ground mentioned in subsection (2)(a) of that section;
- (b) any fee is payable under regulations made by virtue of section 303 in respect of the application deemed to be made by virtue of the appeal; and
- (c) the Secretary of State gives notice in writing to the appellant specifying the period within which the fee must be paid,

then, if the fee is not paid within that period, the appeal, so far as brought on that ground, and the application shall lapse at the end of that period.

(6) Any planning permission granted under subsection (1) on an appeal shall be treated as granted on the application deemed to have been made by the appellant.

(7) In relation to a grant of planning permission or a determination under subsection (1) the Secretary of State's decision shall be final.

(8) For the purposes of section 69 the Secretary of State's decision shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.
