

**IMPORTANT – THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED BY THE PLANNING AND COMPENSATION ACT 1991)**

**ENFORCEMENT NOTICE-OPERATIONAL DEVELOPMENT**

**ISSUED BY: SOUTH LAKELAND DISTRICT COUNCIL**

1. **THIS NOTICE** is issued by the South Lakeland District Council (“the Council”) because it appears to them that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES:-**

Land at Monton, Cart Lane, Grange-over-Sands, Cumbria LA11 7AB as shown edged red on the attached plan (“the Land”).

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

The breach of planning control constitutes without planning permission the carrying out of operational development within the Land consisting of the increase in height of the eaves, ridge line and roof plane of the house known as Monton (“the Building”) and in particular:

- (i) The laying of additional timbers to the top side of the existing rafters; and
- (ii) The placing of a new sarking membrane, affixing of battens and affixing natural slate; and
- (iii) The increase of the former ridge height by the re-profiling of the roof apex and the removal and re-laying on a new mortar bedding of the existing ridge tiles.

Further in the alternative, even if the development were to benefit from Schedule 2, Part 1 Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015, the Building has not been constructed in accordance with Condition B2(b)(i)(aa) in that the eaves of the original roof have not been maintained or re-instated.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last four years.

The Building has been altered but it does not come within the provision of Schedule 2, Part 1 Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015 – additions etc. to the roof of a dwellinghouse. This is because the ridge height of the roof has been raised so that it exceeds the height of the highest part of the original roof. Therefore, in accordance with B1(b) of The Town and Country Planning (General Permitted Development) (England) Order 2015, the works done to the roof are not permitted.

Further in the alternative, even if the development were to benefit from Schedule 2, Part 1 Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015, the Building has not been constructed in accordance with Condition B2(b)(i)(aa) in that the eaves of the original roof have not been maintained or re-instated.

The Land is located within a mixed residential area that is characterised by a variety of house types and styles and of a range of ages. The Building as built originally was of a single storey bungalow layout with no habitable accommodation within the roof void.

The Land is in an elevated position relative to and enclosed by adjacent properties to the south and east.

The Building by reason of a material increase in the height of the roof plane eaves and ridge has an adverse impact on the amenity of surrounding residential properties and in particular has an adverse impact on the residential amenity of the properties, 12, 14, 16 and 18, Cart Lane and Ashgarth, The Nook, Paigles and Meadowcroft, The Orchard, Grange-over-Sands.

The unauthorised development is contrary to the National Planning Policy Framework ("NPPF"). Section 17 of the Core Principles of the NPPF states (amongst other matters) that planning should:

- be a creative exercise in finding ways to enhance and improve the places in which people live their lives;
- seek to secure high quality design and a good standard of amenity for all existing and future occupants of land and buildings.

Section 56 of the NPPF states (amongst other matters) that the Government attaches great importance to the design of the built environment and that good design is a key aspect of sustainable development and should contribute positively to making places better for people.

Section 57 of the NPPF states that it is important to plan positively for the achievement of high quality and inclusive design for all development, including individual buildings, public and private spaces and wider area development schemes.

Section 61 of the NPPF states that although visual appearance and the architecture of individual buildings are very important factors, securing high quality and inclusive design goes beyond aesthetic considerations. Therefore, planning policies and decisions should address the connections between people and places and the integration of new development into the natural, built and historic environment.

Section 207 of the NPPF states that effective enforcement is important as a means of maintaining confidence in the planning system.

The unauthorised development is contrary to the Council's Core Strategy Policy CS8.10 which states (amongst other matters) that the siting, design, and scale of all development should be of a character which maintains or enhances the quality of the landscape or townscape.

The unauthorised development is contrary to Saved Policy S2 of the Council's local plan which states that all new development is expected to take into account the principles of the South Lakeland Design Code.

The Council do not consider that planning permission should be given because planning conditions could not overcome these objections to the development.

## **5. WHAT YOU ARE REQUIRED TO DO**

(3) In the case of any other breach of planning control, no enforcement action may be taken after the end of the period of ten years beginning with the date of the breach.

(4) The preceding subsections do not prevent –

- (a) the service of a breach of condition notice in respect of any breach of planning control if an enforcement notice in respect of the breach is in effect; or
- (b) taking further enforcement action in respect of any breach of planning control if, during the period of four years ending with that action being taken, the local planning authority have taken or purported to take action in respect of that breach.

- (3) An enforcement notice shall specify the steps which the authority require to be taken, or the activities which the authority requires to cease, in order to achieve, wholly or partly, any of the following purposes.
- (4) Those purposes are –
  - (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land, by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
  - (b) Remedying any injury to amenity which has been caused by the breach.

- (7) A replacement building –
  - (a) must comply with any requirement imposed by any enactment applicable to the construction of the buildings;
  - (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control;
  - (c) must comply with any regulations made for the purposes of this subsection (including regulations modifying paragraphs (a) and (b)).
- (8) An enforcement notice shall specify the date on which it is to take effect and, subject to sections 175(4) and 289(4A), shall take effect on that date.
- (9) An enforcement notice shall specify the period at the end of which any steps are required to have been taken or any activities are required to have ceased and may specify different periods for different steps or activities; and where different periods apply to different steps or activities, references in this Part to the period for compliance with an enforcement notice, in relation to any step or activity, are to the period at the end of which the step is required to have been taken or the activity is required to have ceased.
- (10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice service under section 172 to be

accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.

(11) Where –

- (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or activity to cease, but does not do so; and
- (b) all the requirements of the notice have been complied with,

then, so far as the notice did so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

(12) Where –

- (a) an enforcement notice requires the construction of a replacement building; and
- (b) all the requirements of the notice with respect to that construction have been complied with,

Planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.

**173A – Variation and Withdrawal of enforcement notices**

(1) The local planning authority may –

- (a) withdraw an enforcement notice issued by them; or
- (b) waive or relax any requirement of such notice and, in particular, may extend any period specified in accordance with section 173(9).

(2) The powers conferred by subsection (1) may be exercised whether or not the notice has taken effect.

(3) The local planning authority shall, immediately after exercising the powers conferred by subsection (1), give notice of the exercise to every person who has been served with a copy of the enforcement notice or would, if the notice were re-issued, be served with a copy of it.

(4) The withdrawal of an enforcement notice does not affect the power of the local planning authority to issue a further enforcement notice.

**174 – Appeal against enforcement notice**

1) A person having an interest in the land to which an enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice, whether or not a copy of it has been served on him.

(2) An appeal may be brought on any of the following grounds—

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged;
- (b) that those matters have not occurred
- (c) that the matters (if they occurred) do not constitute a breach of planning control;
- (d) that at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
- (e) that copies of the enforcement notice were not served as required by section 172;
- (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;
- (g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.

- (3) An appeal under this section shall be made either-
- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect; or
  - (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date
- (4) A person who gives notice under subsection (3) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing—
- (a) specifying the grounds on which he is appealing against the enforcement notice; and
  - (b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) In this section "relevant occupier" means a person who—
- (a) on the date on which the enforcement notice is issued occupies the land to which the notice relates by virtue of a licence in writing; and
  - (b) continues so to occupy the land when the appeal is brought.

#### **175 – Appeals: supplementary provisions**

- (1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 174 and, in particular, but without prejudice to the generality of this subsection, may—
- (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;
  - (b) specify the matters to be included in such a statement;
  - (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed;
  - (d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.
- (2) The notice to be prescribed under subsection (1)(c) shall be such notice as in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the land to which the enforcement notice relates is situated.
- (3) Subject to section 176(4), the Secretary of State shall, if either the appellant or the local planning authority so desire, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.
- (4) Where an appeal is brought under section 174 the enforcement notice shall subject to any order under section 289(4A) be of no effect pending the final determination or the withdrawal of the appeal.
- (5) Where any person has appealed to the Secretary of State against an enforcement notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
- (6) Schedule 6 applies to appeals under section 174, including appeals under that section as applied by regulations under any other provisions of this Act.
- (7) Subsection (5) of section 250 of the Local Government Act 1972 (which authorises a Minister holding an inquiry under that section to make orders with respect to the costs of the

parties) shall apply in relation to any proceedings before the Secretary of State on an appeal under section 174 as if those proceedings were an inquiry held by the Secretary of State under section 250.

### **176 – General provisions relating to determination of appeals**

(1) On an appeal under section 174, the Secretary of State may—

- (a) correct any defect, error or misdescription in the enforcement notice; or
- (b) vary the terms of the enforcement notice

if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority

(2) Where the Secretary of State determines to allow the appeal, he may quash the notice.

(2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.

(3) The Secretary of State—

- (a) may dismiss an appeal if the appellant fails to comply with section 174(4) within the prescribed time; and
- (b) may allow an appeal and quash the enforcement notice if the local planning authority fail to comply with any requirement of regulations made by virtue of paragraph (a), (b), or (d) of section 175(1) within the prescribed period.

(4) If the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) or to allow an appeal and quash the enforcement notice under paragraph (b) of that subsection, he need not comply with section 175(3).

(5) Where it would otherwise be a ground for determining an appeal under section 174 in favour of the appellant that a person required to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

### **177 – Grant or modification of planning permission on appeals against enforcement notices**

(1) On the determination of an appeal under section 174, the Secretary of State may—

- (a) grant planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control, whether in relation to the whole or any part of those matters or in relation to the whole or any part of the land to which the notice relates;
- (b) discharge any condition or limitation subject to which planning permission was granted;
- (c) determine whether, on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which planning permission was granted was lawful and, if so, issue a certificate under section 191.

(1A) The provisions of sections 191 to 194 mentioned in subsection (1B) shall apply for the purposes of subsection (1)(c) as they apply for the purposes of section 191, but as if—

- (a) any reference to an application for a certificate were a reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made; and
- (b) references to the local planning authority were references to the Secretary of State.

(1B) Those provisions are: sections 191(5) to (7), 193(4) (so far as it relates to the form of the certificate), (6) and (7) and 194.

- (2) In considering whether to grant planning permission under subsection (1), the Secretary of State shall have regard to the provisions of the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations.
- (3) The planning permission that may be granted under subsection (1) is any planning permission that might be granted on an application under Part III.
- (4) Where under subsection (1) the Secretary of State discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.
- (5) Where an appeal against an enforcement notice is brought under section 174, the appellant shall be deemed to have made an application for planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control.

(5A) Where-

- (a) the statement under subsection (4) of section 174 specifies the ground mentioned in subsection (2)(a) of that section;
- (b) any fee is payable under regulations made by virtue of section 303 in respect of the application deemed to be made by virtue of the appeal; and
- (c) the Secretary of State gives notice in writing to the appellant specifying the period within which the fee must be paid,

then, if the fee is not paid within that period, the appeal, so far as brought on that ground, and the application shall lapse at the end of that period.

- (6) Any planning permission granted under subsection (1) on an appeal shall be treated as granted on the application deemed to have been made by the appellant.
- (7) In relation to a grant of planning permission or a determination under subsection (1) the Secretary of State's decision shall be final.
- (8) For the purposes of section 69 the Secretary of State's decision shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.
