Dear Debbie

**Community Governance Review for South Lakeland**

Thank you for consulting the Lake District National Park on the Community Governance Review for South Lakeland. In principle, the Lake District National Park supports a review of parish boundaries by South Lakeland District Council.

However, our main concern is for the parishes who straddle the boundary between South Lakeland District Council and Lake District National Park. We would not want to see any changes that would complicate the issues and relationships with these parishes.

We would be happy to assist with any further enquiries related to our representation.

Yours sincerely
