Subject: FW: parish review - Arnside

At its meeting last night (the 8th October 2018) Arnside Parish Council resolved that it would like to ask that the number of Councillors to represent Arnside Parish Council be reduced to 6 as part of the local Governance review. The reason being that there are permanently vacant seats on the Council and the current level of 11 Councillors is unattainable.

Regards

Anne-Marie

A. Cade
