

## **Comments from Lower Holker Parish Council made during stage three of the Community Governance Review**

### **Lyn Prescott, Clerk to Lower Holker Parish Council**

Lower Holker Parish Council have considered the Community Governance Review and the fact that due to the changes in District Councillor election arrangements mean the timing of the Parish Council elections no longer coincide with District elections. The Parish Council therefore propose that the Parish Elections be re-scheduled to coincide with the District Elections, therefore the next Parish Council elections will be in 2022 (rather than 2023), then every 4 years thereafter.
