Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e)

The premises licence holder, DPS, management and staff will constantly assess any risks to the licensing objectives. They will work in partnership with the authorities and local people alike in this respect. The staff will be properly authorised, equipped, trained and motivated in this task. There will be:

- A written notice of 'authority' record for all staff who sell alcohol
- Comprehensive training for staff in the main requirements of the Licensing Act 2003, the specific measures and conditions in place to promote the Licensing Objectives and the staff roles and responsibilities. Such records shall be available for inspection by the responsible authorities.
- Contact details of the Designated Premises Supervisor available to staff and to the authorities
- Alcohol sales will be primarily dependent upon and ancillary to the sale and supply of food.

b) The prevention of crime and disorder

The management and staff will take all necessary steps to ensure that the premises remain free from crime and disorder. This will include:

- Alcohol will not be permitted to be removed from the premises in open bottles or containers
- Alcoholic products will be stored behind the manned counter and not within the reach of the public.
- Staff being trained on security issues including how to identify and refuse service to customers that are drunk or appear to be drunk.
- CCTV shall be provided in the form of a recordable system capable of providing pictures of evidential quality and in all lighting conditions particularly facial recognition.
- Cameras shall encompass all ingress and egress to the premises and any internal areas where the sale of alcohol occurs.
- CCTV equipment shall be maintained in good working order and correctly timed and dated.
- Recordings will be available for a period of 28 days and handed to the police and other responsible authorities upon request.
- The recording equipment shall be of a digital hard drive or cloud based system and shall be kept in a secure environment under the control of the premises licence holder or other responsible named individual.

c) Public safety

The management and staff will have an effective policy to promote public safety. The DPS will liaise with the authorities to ensure that all aspects of public safety are adhered to. The policy will include:

- Appropriate fire fighting equipment being installed and maintained at the premises and staff trained in its use.
- The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
- The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.

d) The prevention of public nuisance

The management and staff are mindful of the need to reduce the impact of any nuisance caused by the operation of the premises, will constantly assess any risks and take immediate steps to eliminate the problem. Staff will ensure:

- The premises and public areas nearby are kept free from litter associated with the operation of the business
- Any noise, vibrations, smells, light pollution and any other potential nuisance is monitored and kept to an acceptable level
- Notices will be displayed asking customers to be considerate of neighbours when using the outside areas and when they leave the premises, and to dispose of waste carefully and responsibly.
- No waste or recyclable materials, including bottles, shall be moved, removed from or placed in outside areas between 2200hrs and 0800hrs on the following day
- The outside seating area shall not be used for licensable activity after 2200hrs on any day.

e) The protection of children from harm

The business will be operated in such a way that reflects a commitment to be a responsible retailer. To protect children from harm there will be a policy of:

- Staff training will occur before a staff member is authorised to sell alcohol for the business
- The age-verification policy will be one of Challenge 25. This will be specified in promotional material, terms & conditions, within the premises and emphasised through staff training.
- Anyone not looking 25 at the point of sale will be expected to prove that they have turned 18. Acceptable ID will be a photo driving licence, passport, PASS accredited proof of age card or other photo ID that is recommended for acceptance by the police or other authorities.
- The premises will be promoted as family friendly and suitable for all ages.

- There will be no inappropriate promotions, activities or behaviour tolerated at the premises that might put children at risk.

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
