CEMETERY CHARGES										
The fees, payments and sums set out below apply where the person to be interred or in respect of whom a right is to be granted, is, or immediately before his/her death or application for the right, was an inhabitant of the area administered by South Lakeland District Council or, in the case of a still born child, where the parents (or one of them) are, or at the time were, such inhabitants.										
In all other cases the fees, payments and sums shall be doubled.										
Interment										
The fees indicated below apply only where the interment is made between the hours of 9.30 and 15.00 on Monday to Friday. In any other cases an additional fee will be payable and such cases will include any days which are or may in future be classed as public holidays.										
Funerals on a Saturday are at the discretion of the Council and can only be considered when staff are available to carry out the necessary works. An additional fee will be payable:

LAND AND PROPERTY - MINOR LETTINGS Annual charge for letting of small areas of land and property where uneconomic to negotiate individual fees	80.00		£80.00 (or £96.00 if VAT applies)	80.00		£80.00 (or £96.00 if VAT applies)			0%	<p>This charge covers hundreds of minor lettings, including garden tenancies, vehicular and pedestrian access to private property across Council-owned land. The original charge was set at £35 but has been increased over the years on a five year review pattern to the most recent level of £70 which was endorsed in May 2013. A review to Retail Price Index (RPI) now indicates that the charge should be increased to £79.42 p.a., rounded up to £80 p.a.</p> <p>Past practice shows that it is more sensible to increase the charge by small amounts at regular intervals because larger increases over longer periods always provoke more resistance.</p> <p>This charging policy is implemented by the Council's property agent (Lambert Smith Hampton) without any exceptions, although requests are regularly received to vary the policy.</p> <p>For the sake of clarity this policy will in the future be enforced at the level of £80pa subject to five yearly reviews in line with RPI for all minor lettings unless any of the following exceptions apply: -</p> <p>a) the letting is to another public body which provides an access/service for an amenity or community related</p> <p>b) there are extenuating circumstances e.g. where the access or minor letting is for the benefit of a disabled person and there is no other alternative route.</p> <p>In both cases the exception will only be agreed after consultation with SLDC's client officer (Operational Lead Delivery and Commercial Services).</p>

<p>BUILDING CONTROL FEES For further information on Building Control Fees and Charges please go to; https://www.southlakeland.gov.uk/planning-and-building/building-control/building-control-fees/ and see schedules 1, 2 and 3 <u>Houses up to 300 square metres & Flats up to 3 storeys</u></p>																																																																																																																																																																																																																													
<p>The Building Regulation Charges are divided into a Plan and Inspection charge, or Building Notice charge. The basis of these charges are derived from Building (Local Authority Charges) Regulations 2010, valid from 1st April 2013.</p> <p>Full Plans - The Plan Charge must be paid at the time plans are deposited with the Council. An invoice for the inspection charge will be issued after the first inspection has been carried out.</p> <p>Building Notices - The charges must be paid at the time this notice is submitted to the Council. The Building Notice Charge is the combined Plan and Inspection Charge total inclusive of VAT. A Building Notice cannot be used for new houses where new roads or streets are to be constructed.</p> <p>Notes:</p> <ol style="list-style-type: none"> The amount of the plan charge is based on the number of dwelling types contained in the application; the inspection charge is based on the total units in the project. For 5 or more dwellings or if the floor area of the dwelling exceeds 300m² or flats over 3 storeys, the charge will be individually determined. For electrical work not covered under a Competent Persons Scheme, the basic inspection charge per dwelling will be £270.00 including VAT (account will be given to repetitive work and a discount may be applied). Unless otherwise agreed, schemes exceeding one year in duration may be subject to an additional charge.

Certain Small Domestic Buildings & Extensions and Other Work	<p>The Building Regulation Charges are divided into a Plan and Inspection charge, Building Notice charge and Regularisation charge.</p> <p>The basis of these charges are derived from Building (Local Authority Charges) Regulations 2010, valid from 1st April 2013.</p> <p>Full Plans - The Plan Charge must be paid at the time plans are deposited with the Council. Where an inspection charge applies, an invoice will be issued after the first inspection has been carried out.</p> <p>Building Notices - The charges must be paid at the time this notice is submitted to the Council.</p> <p>Regularisation Charge - This type of application is solely for use where work undertaken on or after 11 November 1985 and is already completed without prior knowledge / notification to the Council and house owners seek retrospective certification. However these charges are 150% of the net charge.</p> <p>Exemption - Where work is to provide access and facilities for disabled people in an existing building, or is an extension of a room in a dwelling, where sole use will be for the carrying out of medical treatment or storage facilities for a disabled person, adaptation or replacement of accommodation, no charge is payable.</p> <p>Total Estimated Cost for Works Under Schedule 3 - Charges for all commercial / industrial / other residential and domestic alterations are taken from Schedule 3. These are based on an estimated cost that would be charged by a professional contractor, excluding professional fees and VAT.</p> <p>Small Buildings and Extensions (Schedule 2) - Where the work in question includes the erection of more than one extension to a building, the total floor area of all such extensions should be combined to determine the charge payable in accordance with Schedule 2.</p> <p>Stage Payments - In certain cases charges may be paid by instalments, by prior agreement with the Building Control Team Leader.</p> <p>Please note : Unless otherwise agreed, schemes exceeding one year duration may be subject to an additional charge.</p>
