Describe the steps you intend to take to promote the four licensing objectives:

### **a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

Upon commencement of their employment, all staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Refresher training will be provided at least once every twelve months and all training will be documented and made available to an authorised officer upon request.

### **b) The prevention of crime and disorder**

A CCTV system shall be installed at the premises and will meet the following criteria:

- The system will display on any recording the time and date of said recording;
- The system will be recording whenever the premises is open to the public;
- Recordings will be of sufficient quality to enable identification of persons if images of their faces are captured;
- Any recordings will be retained for a minimum of 28 days after they are made and will be produced to an authorised officer upon request, so long as said request is in accordance with the principles of the Data Protection Act or any subsequent or alternative legislation;
- As a minimum, the CCTV will capture a “head and shoulders” image of any person who enters the premises through the main public entrance.

Appropriate signage alerting customers to the use of CCTV shall be displayed in a conspicuous position at the premises.

A competent person trained in the use of and operation of the CCTV will be in attendance at the premise at all times that licensable activities are taking place. Said person will be able to fully operate the CCTV system and be able to download data in a recognised format when requested.

An incident register of any public order occurrences or ejections from the premises will be maintained at the premises and details of any public order offences will be recorded. Said register will be made available upon request to an authorised officer.

The premises will have a written zero tolerance drugs policy which is enforced at all times.

### **c) Public safety**

Any sales of alcohol knowingly made for consumption off the premises will be made in a sealed container. This condition will not apply to any external area under the control of and operated by the Premises Licence Holder.

### **d) The prevention of public nuisance**

The management of the premises will ensure that the area immediately outside the entrance to the premises is kept clean, tidy and free from litter.

Notices will be placed in a prominent position at public exits requesting that customers leave the premises and the area quietly.

#### **e) The protection of children from harm**

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:

- A Passport;
- A UK Photocard Driving Licence;
- Official ID card issued by HM Forces or EU bearing a photograph and the date of birth of the holder;
- Any other form of identification agreed with a representative of the Police Licensing Unit.

All staff who are involved in the sale of alcohol will be trained in relation to the "Challenge 25" policy upon the commencement of their employment, following which they will undertake refresher training at least once every twelve months. - does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### **Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant’s date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
