M- Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 11)

The current premises licence already permits the sale of alcohol from a permanent external structure at the site, however it is now proposed that a moveable truck selling food and beer will be located within the external area. The truck will not be permanently sited within the area and is likely to be used during the peak season and moved elsewhere in the winter. When the current external building was licensed previously it was indicated it would not be used after 10pm and we can confirm there is no proposal to change the way the external area is operated and managed. Given there is currently permission for use of an external bar within the outside area, it is considered that there should be no impact on the licensing objectives and accordingly no further conditions are considered appropriate, however we would be agreeable to the application being amended during the course of the application period to reflect any agreements reached with the responsible authorities or other parties.

c) Public safety

d) The prevention of public nuisance

e) The protection of children from harm

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

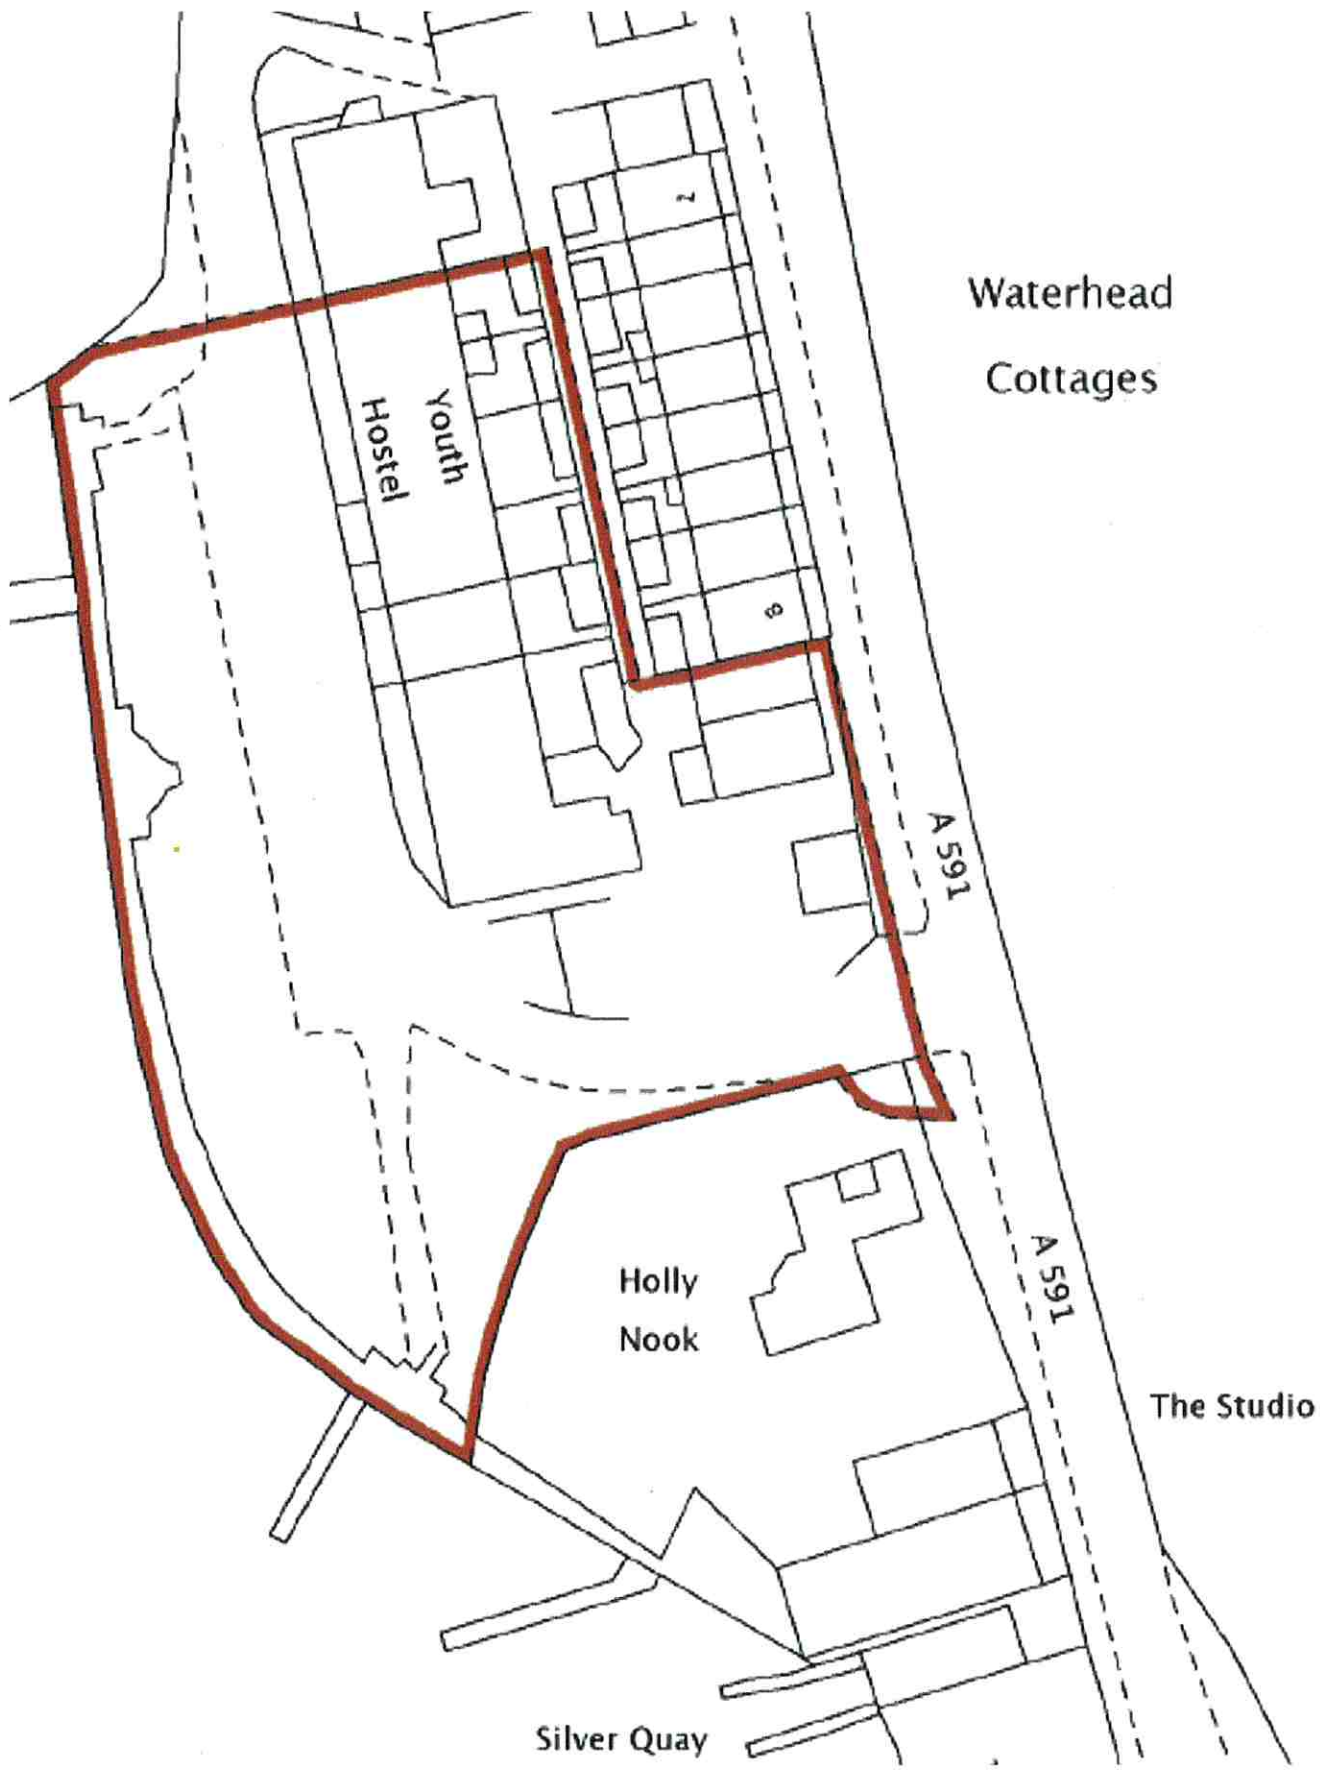

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives.

Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.

3. In terms of specific regulated entertainments please note that:
- Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
