Holiday (Swinging) Moorings & Jetty Berths

The Council has available between Easter and the end of October each year, a number of Holiday Moorings & Jetty Berths, which may be hired on a nightly basis. The charges include dinghy parking and trailer storage at Ferry Nab, in addition one launch fee will be payable to cover use of the slipway to launch & recover. Other facilities available include car parking, public jetties, toilets, showers, toilet disposal facilities and fresh water supply also subject to availability on the Ferry Nab jetties electric hook up's.

The Holiday Moorings are situated in the following areas; Waterhead (Nr Ambleside), Fellfoot (Nr Newby Bridge). Parsonage Bay, and to the West of Belle Isle (Nr.Bowness). The Jetty Berths are at the Public Jetties at Ferry Nab – a maximum of 6 berths are permitted. Further details of facilities and availability may be obtained from the Lake Warden's Office.

Third party insurance cover is compulsory and the applicant assures The Council that their vessel is insured for the purpose of storage on a mooring, for the period booked.

CONDITIONS OF USE FOR HOLIDAY MOORINGS & JETTY BERTHS - WINDERMERE

1. The charge in accordance with the Council's current scale of charges, which may be varied at any time without notice, shall be paid at the time of making an application for the Holiday Mooring/Jetty Berth and until it is paid the applicant has no right to attach his vessel to any Mooring/Berth.
2. Third Party Insurance is compulsory, and the applicant assures the Council that their vessel is insured for the purpose of storage on a swinging Mooring/Berth as applicable
3. Only the vessel described on the application form, or a substitute therefore approved by the Council, shall be attached to the Mooring/Berth
4. The said vessel shall only be moored to the Mooring/Berth allocated by the Council.
5. The hirer shall comply with all byelaws regulations and restrictions statutory or otherwise which may apply to the vessel or use of Windermere.
6. No domestic or other refuse shall be deposited in the Lake.
7. The Mooring/Berth shall not be sub-let nor shall permission be given for any other vessel to moor/berth thereto.
8. Officers of the Council shall be permitted at all reasonable times to inspect the said vessel for the purpose of ensuring compliance with these conditions and/or any statutory requirements and for the purpose of safeguarding the said vessel or other vessels, persons or property.
9. If the vessel breaks away from a Mooring/Berth the Council may take any necessary steps to safeguard the vessel and other vessels, persons or property at the expense of the applicant.
10. The applicant will indemnify the Council against all claims, proceedings, actions, costs, damages and losses whatsoever arising out of the occupation of the Mooring/Berth by the applicant or whilst he/she uses any Council property.
11. At the expiration of the period for which permission has been granted for the use of the said mooring the applicant will by noon for swinging moorings, Remove the vessel, and leave the mooring in such a condition as to be immediately available for use by another vessel. Booked jetty berths are for a period of 24hrs from times stated on receipt and booking sheet.
12. The applicant uses the said Mooring/Berth entirely at his/her own risk and on condition that the Council, it's servants or agents will not be held responsible for death or personal injury or for loss or damage to the vessel or its contents whether caused by negligence or otherwise.
13. Should the applicant breach any of the conditions herein contained then permission to occupy hereby granted will terminate immediately without any refund of any charges and the vessel shall be removed forthwith and the Mooring/Berth vacated.
14. Storage of trailers is available subject to the terms and conditions of trailer storage, copies of which are available from the Lake Wardens office.
