Guidance notes

It is essential that the information which you or your manager / agent provide on the forms can be easily read. Use only black or blue ink to complete this form. Please write only in the boxes provided. If additional information is supplied on a separate sheet(s) please make sure that they are securely attached to the application form.

You must answer all applicable questions on the form and be aware that your answers will be used by the Council to determine whether or not to grant a licence with or without additional conditions, or to refuse to grant a licence. If a question is not relevant, please write “not applicable” in the box. If you fail to complete the form correctly or fail to attach the required certification and documents this will delay the processing of your application and could incur additional fees.

Note: The Council is legally required to hold and make available a public register which contains details about the property and persons managing it.

What is mandatory HMO (Houses in Multiple Occupation) licensing?

From 6th April 2006, The Housing Act 2004 introduced mandatory licensing of high risk HMOs. With effect from 1st October 2018, The Licensing of Houses in Multiple Occupation (Prescribed Description) (England) Order 2018, replaces the Licensing of Houses in Multiple Occupation (Prescribed Descriptions) (England) Order 2006 (S.I. 2006/371) (“the 2006 Order”).

The effect of this is that from 1st October 2018 mandatory licensing will apply to all properties occupied by five or more persons, forming two or more households, who share an amenity such as a kitchen, toilet, bathroom or lounge. Buildings consisting of entirely self-contained flats or purpose built flats are exempt from licensing. However, if facilities are not fully contained, whether they are shared or not, such properties may require a licence if they fulfil the mandatory licensing criteria. In addition, premises fulfilling mandatory licensing criteria, with commercial properties at ground floor level also require a licence.

Who needs to be the licence holder?

The licence holder will be legally responsible for the operation of the property to be licensed.

The proposed licence holder should normally be the “person having control” of the property (the person legally entitled to receive the rental income from the property), usually the owner of the property. However, there may be a good reason why this

should not be the case (e.g. if the owner is ill or lives abroad). The local authority has a duty to award the licence to the most appropriate person.
