2025/1921/TCA	FRANLEY FOLD 53B CARTER ROAD KENTS BANK GRANGE-OVER-SANDS LA11 7AG	The proposed work is on a row of Hawthorn trees. The aim is to reduce the height and to give more of a hedge-like appearance. It has been explained to us about the importance of the crown of each tree and how this must be maintained. There are some small Hazel and Holly bushes that will be retained in between the Hawthorn to act as the lower part of the "hedge". 2025/1924/TCA	1 YEWBARROW COACH HOUSE MAIN STREET GRANGE-OVER-SANDS LA11 6EB	<p>The tree is a large lime located opposite 1 Yewbarrow Estate, Grange Over Sands, LA11 6EB on land under the ownership on South Lakes Housing, see '001 Location Plan'. The tree has died back in one half of the crown, suspected accidental poisoning being the cause. We want to fell the tree as per the advice from from Ryan Kearney, Arboricultural Officer at W&F (found in '004. Emails with W&F') 'Due to the proposed works, along with the poisoning, the tree is no longer safe. The increased target area of the car parking and the further potential damage to roots would mean that any form of mitigated pruning may prove redundant in the long run. Therefor I would suggest firstly felling the tree, ideally soon. Secondly to mitigate the loss and to avoid a possible breach of conditions I would provide an amended location plan and planting plan in line with conditions 2 and 6'. The works being referred to are the redevelopment of Yewbarrow Lodge, application number SL/2023/0467.</p>	Easting 340953 Northing 478218	South Lakes Housing	Tree in Conservation Area	Tree Ca No Objection	6 Nov 2025
