2024/0663/TCA	1 KIRKBARROW LANE KENDAL LA9 5DF	I wish to remove the immature oak (1 on the attached plan), which because of its considerable lean, it is likely to become unstable as it continues to grow - the tree currently has a circumference of c55cm - 1.5m above ground level. Its removal would also benefit the adjacent rowan and prevent any further damage to the garden walls and steps. The tree is only c4m from both the house and the 6ft high retaining garden wall adjacent Kirkbarrow Lane - where a mature oak could represent a significant risk.
